It is the responsibility of the person or organization using this inflatable equipment to ensure that all possible precautions are taken to avoid injury to people or damage to the inflatable. Please ensure that the following safety instructions are followed:

1. No food, drink, or chewing gum on or around the inflatable. This will avoid a choking risk and keep the unit clean. (Please note if the inflatable is returned in a dirty condition then the person(s) renting it will incur a cleaning charge of \$25.00.)
2. Shoes, glasses, jewelry, badges and loose items in pockets MUST be removed before using the inflatable to avoid injury to people using the equipment and harm the inflatable.
3. No face paints, party poppers, colored streamers or silly string to be used either in or near the inflatable. **(Please note these products may cause damage to the inflatable that cannot be repaired.)**
4. NO smoking within 10 feet of the inflatable.
5. Any barbeque or gas grill is to be more than 10 feet away from inflatable.
6. **Climbing, hanging or sitting on walls is dangerous and must not be allowed.**
7. **A responsible adult (age 16 or older) must supervise the inflatable at all times.**
8. Always ensure that the inflatable is not overcrowded, and limit numbers according to the age and size of children using it. Try to avoid large and small children from using it at the same time. (Maximum players: 8; Maximum user weight: 150 pounds/person)
9. Ensure children are not pushing, colliding, fighting or behaving in a manner likely to injure or cause distress to others.
10. **NO pets, toys or sharp instruments in/on the inflatable at anytime.**
11. Do not allow anyone in the inflatable during inflation or deflation as this is DANGEROUS.
12. Use caution when moving the inflatable with the hand cart. Make sure you are physically able to transport, set up and take down the inflatable. (Inflatable gross weight: 250 pounds. Blower weight: 37 pounds)
13. **In the event that the blower stops working, please ensure all users get out of the inflatable immediately and calmly.** Check your breaker(s) and make sure the blower tube or deflation tube has not come undone or something has blown into and obstructing the blower. In the event that it overheats, or loses power, switch the blower off at the main switch, then switch it back on again 1 or 2 minutes later, and it should restart. If it does not, inform us immediately. Contact: Mike Bonser at 303-257-9488 or Dan Jongsma at 313-563-5606.
